COURSE TITLE:	FACILITY RESPONSE TEAM (FRT)	
VENDOR:	Naval Occupational Safety and Health and Environmental Training Ctr 9080 Breezy Point Crescent Norfolk, VA 23511-3998	
LOCATION:	Employee Development Center, Building # 2189	
	DATES: 12 – 14 JUL 05	NOMINATION DEADLINE: 10 JUN 05
TIME:	0800-1600 hrs	
DESCRIPTION:	This is a shortened version of the FRT 40-hour course, designed for facilities in need of a shorter course. Each course is specifically adapted to the spill potential and response equipment at the host facility. Therefore, students from the host facility will benefit more from the course than students from other facilities.	
OBJECTIVE:	<p>Upon completion of the course, the student will be able to :</p> <ul style="list-style-type: none"> • Understand safety requirements and the Facility Response Plan (FRP). • The on-water portion of the course is similar to the 40-hour. • Know how to contain and recover oil on water as well as executing sensitive area protection strategies as outlined by facility plans. • Gain an understanding of oil spills, regulations concerning their own roles, the FRP and area contingency plan, and how to operate and apply all Naval Facilities Engineering Service Center (NFESC)-supplied equipment during a spill event. The safety subjects covered by this course meet the OSHA requirements in 29 CFR 1910.120 for First Responder Level. 	
AUDIENCE:	Civilian and military personnel who are, or may be designated as leaders and team members on the Facility Response Team, or facility spill management team members.	
LENGTH:	3 Days	
NOMINATIONS:	<p>NAVAIR TEAM employees should request training by logging onto SAP R/3 using the SAP logon-pad. Complete step-by-step instructions can be found on the Career Development Office website at : Career Development</p> <p>NOTE: Contractor personnel may attend on a space-available basis. Nominations must be made by letter addressed to the Program Coordinator.</p>

COURSE TITLE:	SPILL MANAGEMENT TEAM (SMT)	
VENDOR:	Naval Occupational Safety and Health and Environmental Training Ctr 9080 Breezy Point Crescent Norfolk, VA 23511-3998	
LOCATION:	Employee Development Center, Building # 2189	
	DATES: 17 –18 FEB 05	NOMINATION DEADLINE: 14 JAN 05
TIME:	0800-1600 hrs	
DESCRIPTION:	<p>The purpose of this course is to prepare a wide range of shore facility personnel in specific roles who are identified by the facilities response plans to effectively respond to a spill. SMT training gives an opportunity to become familiar with each facilities response plan which will exercise the spill management team's organization, communication, and decision-making in managing a spill response. The course offers Incident Command System (ICS) training and a four (4) hour table top exercise thus fulfilling the federal regulations as required by OPA 90. NOTE: SMT training is not for hazardous material spills or general spill training.</p>	
OBJECTIVE:	<p>Upon completion of the course, the student will be able to:</p> <ul style="list-style-type: none"> Understand each facilities response plan in the areas of team's organization, communication, and decision making in managing a spill response. 	
AUDIENCE:	<p>The intended audience is military or civilian personnel who work at an Oil Pollution Act of 1990 (OPA 90) facility only, and are assigned to a facility oil spill management team. This includes upper management, spill response team leaders, public affairs personnel, safety and health personnel, natural resources personnel, environmental personnel, finance and contract personnel who manage the BOA, logistics and support personnel.</p>	
LENGTH:	2 Days	
NOMINATIONS:	<p>NAVAIR TEAM employees should request training by logging onto SAP R/3 using the SAP logon-pad. Complete step-by-step instructions can be found on the Career Development Office website at : Career Development</p> <p>NOTE: Contractor personnel may attend on a space-available basis. Nominations must be made by letter addressed to the Program Coordinator.</p>
